Claims 1-17 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

"Isodiphenyl phosphate" is not iupac recognized; please provide structure and chemical name and CAS number, to correspond to the compound claimed, and show support for that compound as the claimed isodiphenyl phosphate ("High") is relative, and should be quantified (claims 3, 15).
